THE COMMERCIAL DIRECTORS DIVERSITY PROGRAM

To Whom It May Concern:

I am writing on behalf of **Vanessa Black**, one of the Directing Fellows in our educational program- the CDDP. The Commercial Directors Diversity Program.

The CDDProgram is a non-profit organization that is committed to bringing more women and diverse directing populations into the commercial directing space by giving them the support, tools, education and training that they need to make it in the commercial world.

We do this with an extensive 6 month program of workshops, classes, mentoring, shadowing a 15k grant to make a spec and an industry showcase.

We are so excited to have **Vanessa** in our inaugural program. We believe she will be super successful in the commercial world.

We hope that you will support her project and our program by discounting or donating to her cause in whatever ways you can. We are pushing our students to work miracles and magic by creating a spec commercial on a dental floss budget. But with your help and the help of other incredibly generous vendors, we believe we/they can make it happen in a most impressive way.

We would be happy to include you on our website, in all of our

social media and in our program at our Industry showcase in September.

We hope you will be a part of this movement to include women and other under-represented communities into the commercial space.

Please feel free to reach out to me with any questions.

I look forward to hearing from you.

All the best,

Tamika
